

Hockley Residents Association

Minutes of Committee Meeting held on 11 November 2008

- | 1 | Matters Arising | Action |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 1.1 | (1.1) PCT: Meeting held with PCT Chair and Chief Executive, who were sympathetic but unable to make any specific promises. Further meeting arranged for 12 January. | |
| 1.2 | (1.2) Traffic Volumes: ECC Highways have now confirmed that traffic volumes on B1013 have increased by 6% to over 16,000. It appears that this represents 72% of the maximum theoretical capacity (to be confirmed) | BG |
| 1.3 | (1.3) Arriva Buses: Update from Arriva advising that 5 (of 6) No 7 buses an hour will terminate at "Ashingdon Schools". We have asked Arriva for a meeting. | BG |
| 1.4 | (1.4) Betts Farm & Barnwell Drive: Meeting arranged with ECC | BH |
| 2 | New business: | |
| 2.1 | RDC Core Strategy: A long discussion regarding plans for an extra 3,500 homes resulted in a majority reaffirming existing HRA policy that a single site would be preferable to current proposed strategy distributing them across about 12 sites around the district. Lack of an adequate infrastructure was a major concern.
Members acknowledged the need to find a solution to the problem and we will review at next meeting. | All |
| 3 | Date of Next Meeting: AGM - Tuesday 9 December 2008 | |
